EXPERIENCE

NOBEL LEARNING PBC | SOFT SKILLS

May 2025 – August 2025 | Remote

- Actively participated in team-based collaborative projects, contributing ideas and feedback to enhance workflow efficiency.
- Strengthened communication, teamwork, and leadership abilities through regular group discussions and cross-functional coordination.
- Gained practical exposure to professional work environments and improved adaptability in a dynamic setting.

THE ENTREPRENEURSHIP NETWORK

(TEN) | BACKEND DEVELOPMENT INTERN

Apr 2025 – July 2025 | Remote

- Led the backend development team and oversaw the overall backend architecture and project management.
- Designed and implemented robust authentication and role-based access control (RBAC) systems.
- Developed RESTful APIs using Django Rest Framework to support dynamic, scalable functionality for the platform.
- Collaborated closely with frontend and QA teams to ensure seamless integration.
- Played a key role in decision-making, code reviews, and ensuring best practices in backend development.

PROJECTS

MENSTRUAL TRACKING APP | WEB DEVELOPER

Jan 2025 – InProgress | GitHub

- Developed a web application for tracking menstrual cycles, predicting future cycles, and providing health insights.
- Utilized Django for the backend to manage data storage and logic, and React for the frontend(in-progress) to offer an interactive, responsive user experience.
- Integrated RESTful APIs for seamless communication between frontend and backend.

TASKIFY | BACKEND DEVELOPER

Feb 2025 – March 2025 | GitHub

- Developed a RESTful API using Django Rest Framework (DRF) to facilitate efficient task management.
- Implemented user authentication and role-based access control (RBAC) using JSON Web Tokens (JWT), ensuring secure access for Admin, Manager, and Employee roles.
- Designed and optimized the database schema to support CRUD operations for tasks, enhancing data integrity and performance.
- Applied custom DRF permission classes to enforce access control policies, safeguarding sensitive data.

EDUCATION

TRIBHUVAN UNIVERSITY

BACHELOR OF SCIENCE IN
COMPUTER SCIENCE AND
INFORMATION TECHNOLOGY

B.Sc.CSIT

Pokhara, Nepal

SKILLS

PROGRAMMING

Python | JAVA

JavaScript | PHP

TECH-STACK

Django | Django Rest Framework

React | Next.js (Beginer)

PostgreSQL | MySQL

TOOLS

Git/Github | POSTMAN

Visual Studio Code | IntelliJ IDEA
